GREEN LANTERN 1953

Harvey H. Koch

Dedication

We dedicate our yearbook to our community in gratitude for the benefits it has given to us:

1. A healthful environment in which to grow.
2. A school that fits us for life.
3. An atmosphere of peace and security.
4. A moral training necessary for upright citizenship.

Though we realize it will not be until we face in full the difficulties of life, that we will understand the full benefits of a good home and a sound society, yet we thank you now, repeating with full hearts, the first stanza of John Howard Payne's:

HOME, SWEET HOME!

*Mid pleasures and places though we
may roam,
Be it ever so humble, there's no place
like home;
A charm from the sky seems to hallow
us there,
Which, seek through the world, is ne'er
met with elsewhere.
Home, Home, sweet, sweet Home!
There's no place like Home! there's no
place like Home!*

J. RALPH BRASMER

We, the seniors, consider as an honor the presentation of this yearbook. More than the knowledge we have gained in our last four years, we cherish the friendship, responsibility, cooperation, and understanding we have received.

The Class of '53 will have many heart-warming memories. You, who are still in school, make the most of your high school days that slide so swiftly by.

Class Prophecy

The Silver Jubilee for the class of 1953 was pronounced a success by the attending members. The mistress of ceremonies was Lottie Homer who arrived by plane from an army camp in Texas where she has full charge of the USO recreational facilities. With her was that famous comedy team Slotter and Lee who had been touring the country with their nationally known radio show. The group was grateful to Wauneta Cunningham who in her role as principal of the school was able to provide for many of the details. Mr. Cunningham when asked to comment on how it felt to work for a member of the family, just groaned. Merle Griffin was congratulated on his teams' winning the district championship. Miss Hartwig had charge of the entertainment which consisted of a recital by her dancing students. She was grateful to have Miss Phyllis Leeds, the renowned concert pianist, play for the recital. The former Joyce Worner has just returned from South America where she had been doing missionary work among the natives. Mr. James Hoeft was unable to attend because he had to go to Washington D. C., where he planned to take his seat in the House of Representative. Accompanying him was his campaign manager, Everett Jibben. Blanche Dawson gave an interesting account of her work as technical librarian at Caterpillar. Donna Bailey proudly displayed pictures of her twins, and discussed problems of home making. Kenneth Forbes reported he had stopped at the Runyon farm in his work as a metallurgist, and Willis was in Chicago at the Livestock Show, and asked him to present his regrets.

Our goals are ahead of us — our plans for our future are being completed. Three of us have chosen to be teachers, two to be nurses, and two have chosen clerical work. Five of the boys intend to remain in agricultural work, and two may go on to be aeronautical engineers.
